**AGREED ORDER ON PLAINTIFFS' APPLICATION FOR TEMPORARY
INJUNCTION**

Now before the Court is Plaintiffs' application for temporary injunction (included in the First Amended Petition and Application for Temporary Injunction), which was set for hearing for on Thursday, April 3, 2025, at 2:00 p.m. Prior to the scheduled hearing, the parties filed a Certificate of Conference indicating that they have reached a compromise, in order to minimize waste of judicial resources, as follows:

- Plaintiffs have agreed to limit the scope of temporary injunctive relief to an order prohibiting defendants from taking actions outside the ordinary course of business, without prior court approval;
- This agreed temporary injunction is not to be considered as an admission that defendants have taken action outside the ordinary course of business, which they contend they have not, and Defendants have indicated that they do not intend to take actions outside the ordinary course of business;
- The parties have agreed to waive the posting of a bond for this agreed temporary

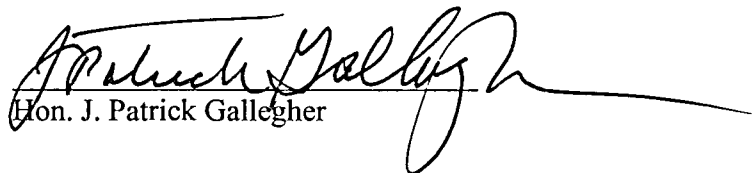

injunction; and

- The agreement is without prejudice to any parties' rights to seek modification of the injunction or to seek any other relief they deem appropriate in the future.

Accordingly, the Court hereby ORDERS that:

- (1) The Defendants shall not take any actions outside the ordinary course of business; during the pendency of this litigation, without first obtaining prior court approval;
- (2) The requirement for posting of bond is waived;
- (3) Trial is set for a non-jury trial on August 25, 2025; and
- (4) This order is without prejudice to any parties' rights to seek modification of the injunction or to seek any other relief they deem appropriate in the future.

Dated: April 2, 2025
